AMENDMENT

Hon. Commissioner of Patents
Washington, D.C. 20231

Sir:

In response to the Office Action dated October 26, 2001, please amend the above identified application as follows herein.

IN THE CLAIMS

Please enter the following amended claims:

8. (Amended) A method of testing for Gram positive bacterial infection in a mammalian subject, the method comprising the steps of: obtaining a sample of body fluid from the subject; contacting the sample with a composition comprising a compound having the structure of the following formula (I),
